**Important Program Rules**

- Core and Experiential Learning Courses are required as part of an accredited planning program. Students may apply for waiver of these course **only** if they can demonstrate **graduate level** competency
- A maximum of 9 internship credits can count towards a Field of Interest (FOI)
- Maximum credits applied to FOI: Terminal Project or Independent Study (6 credits) or Thesis (8 credits)
- A concurrent degree can count towards a FOI—check rules of both programs for limitations

**Advising Checklist—TO BE REVIEWED WITH ADVISOR**

- Core classes must be taken for grade unless it is only offered Pass/Fail
- Recommended Advising Check ins: \_\_\_\_\_ Fall of Year 1—Prior to Winter term registration  
 \_\_\_\_\_ Spring of Year 1  
 \_\_\_\_\_ Fall of Year 2
- Advising topics: (1) Professional development plan with descriptions of target jobs; (2) Where do you want to be in 5 years? 10 years?; (3) Do your classes balance skills and conceptual knowledge
- All waivers must be approved (if applicable): See PPPM Student Resources page for form
- Concurrent degree program form approved (if applicable): See Graduate School for form
- Application for graduation: Students must apply in final term
